

Banner sponsorship benefits and recognition

Thank you for your interest in supporting Habitat for Humanity Okanagan through banner sponsorship. Habitat offers some excellent pricing, marketing, and awareness opportunities while showcasing your community involvement.

Sponsorship for 1 Habitat for Humanity banner featuring your logo is a \$500 investment. Habitat will display your banner at one of their ReStores, at events, or you can display in your own business. **294,000 shoppers** visited our ReStores in 2019 and the number is growing.

Habitat operates four ReStores in the Okanagan. There are locations in Kelowna, West Kelowna, Vernon, and Penticton. The location you would like to showcase your banner is up to you!
