Jingle Bell Build 2023

TEAM REGISTRATION

“Cause” it’s the holidays!

Don’t have time to plan a staff Christmas party? Why not consider a giving-inspired Christmas party that doesn’t need to overwhelm you.

Our Jingle Bell Build Corporate Edition is an affordable way for your employees to do good.

We want you to have the ultimate Christmas party and all you have to do to achieve that is Habitat for Humanity Okanagan’s Jingle Bell Build. A “giving back” bash for you and your team.

Don’t get lost in the details of planning the annual Christmas party, you and your team will have an even better time if the focus is giving back and helping others in our community. You will be giving a hand up to more local families in need of affordable housing.

The Jingle Bell Build is a team-building activity that offers a dynamic way to enhance interpersonal relationships, communication, and problem-solving skills.

Imagine the camaraderie that blooms as your team works together to help Habitat overcome the housing challenges in our community all the while celebrating the holiday season and Habitat for Humanity.

How it works

1 - The teams that have paid their \$600 registration fee and have secured their build slot by the deadline on November 15, 2023, will build their gingerbread houses at the Laurel Packing House on Wednesday, November 22, 2023.

2 - The teams understand that there will be opportunities to donate to Habitat for Humanity Okanagan to buy building violations on other teams or to enhance your own building efforts.

3 - Each participating team will receive a gingerbread house and village building kit. This includes your gingerbread house, your gingerbread village, and it will include the candy and icing that comes from each kit. Teams can bring their own tools to use. (Teams can also buy an extra gingerbread kits along with candy and icing for a set price.)

4 - Given that some people may have allergies – all gingerbread building projects must be peanut and nut-free. Food colouring is allowed.

5 - Each team will be provided the same amount of time unless you are issued a violation from Gingy. You will have approximately 2 hours of build time from start to finish. Building will start at 6:30 pm and will end at 8:30 pm.

6 - Each team is limited to 5 team members, this includes your project manager.

7 - All gingerbread houses must be built on your official Jingle Bell Build board that each team will be provided on build night.

8 - No artificial interior materials, such as styrofoam or wood, are to be used to construct or decorate on your build. Non-edible decorations, such as paint, ribbon, figurines, etc., may be used to decorate your gingerbread build.

9 - Eating an opponent's house is not allowed.

10 - Most important rule: everyone should have as much fun as possible!
